

Water from a Rock

From the smitten rock in Horeb first flowed the living stream that refreshed Israel in the desert. During all their wanderings wherever the need existed they were supplied with water by a miracle of God's mercy. The water did not, however, continue to flow from Horeb. Wherever in their journeyings

they wanted water, there from the clefts of the rocks it gushed out beside their encampment.

PP 411

That Rock was a symbol of Him who by His death would cause living streams of salvation to flow to all who are athirst.

DA 454.
